Introduction

Dear Colleagues

I feel very honoured to have been elected as President of the BDA CDS Group and I am delighted to invite you to join me in Sheffield for the 2016 BDA CDS Group Annual Presidential and Scientific Meeting.

The theme for this year’s conference acknowledges the breadth of expertise required by those working to treat the wide spectrum of patients who come under the umbrella of special care dentistry and community-based paediatric dentistry. Recognising the role, or potential role, that the CDS has in training the specialists of the future, we have changed the format this year to give a medical and a dental viewpoint on each of the subject areas, allowing our specialist trainees to demonstrate putting theory into practice.

The open forum gives delegates the opportunity to raise issues within your service.

Socially, the “Bath and Beyond” trophy will be contested at the informal welcome meal held on Wednesday evening at Piccolino Italian restaurant, so polish up your “Trivial Pursuit” knowledge!

The conference itself will be held in Cutlers’ Hall, a Grade II listed, 19th Century building. The Grand Ballroom will also be the venue for the Black Tie Dinner on the Thursday evening, where a sumptuous dinner will be followed by entertainment and dancing to a 20 piece big band.

Simon Utting, President-Elect BDA CDS Group

Simon qualified from Sheffield in 1983 and worked in oral and maxillofacial surgery before moving into general practice. He was a practice principal for nine years before joining the community dental service in 1999. Simon has always been involved in teaching and currently works as an Educational Supervisor on the Sheffield Special Care Dentistry STR Programme. He became Consultant in Special Care Dentistry in 2011 and continues to work in both the community dental service and the dental hospital in Sheffield. Simon is Regional Advisor for Special Care Dentistry in Yorkshire and the Humber and is an examiner for the Diploma in Special Care Dentistry at the Royal College of Surgeons of England.

Programme

Wednesday 12 October 2016
Piccolino, Sheffield

20:00 Welcome dinner and quiz
Hosted by President-Elect Simon Utting

Thursday 13 October 2016
Cutlers’ Hall, Sheffield

09:00 Registration, refreshments and exhibition

09:30 Introduction, Valedictory address and installation of President

Session 1 – One face of physical disability and dependency

10:00 Spinal injuries, rehab and regeneration
- Understand the basic anatomy and physiology as relates to the spinal cord
- Develop understanding of foundational aspects of cord injury management.

Mathew Kidangali, Consultant in Spinal Injuries, Specialised Rehabilitation Services, Princess Royal Spinal Injuries Centre

10:30 Dental management of patients with spinal cord injuries
- Understand the significance of the location of the spinal cord injury for dental management
- Top tips for the delivery of dental care
- Improve knowledge of autonomic dysreflexia.

Amy Marshall, StR in Special Care Dentistry, Sheffield Teaching Hospitals NHS Foundation Trust and Jo Adlington, Specialist in Special Care Dentistry, Sheffield Teaching Hospitals NHS Foundation Trust

12:00 Support and challenge: management of dental neglect and missed appointments
- Look at dental neglect and its impact on children
- Discuss the staged model for managing suspected dental neglect
- Explore issues in safeguarding vulnerable families and disabled children
- Outline resources we need to do this job well.

Jenny Harris, Consultant in Community Paediatric Dentistry, Sheffield

12:40 A clinical case of a child with autism under a child protection plan
- Describe a clinical case involving a child with autism within the community dental setting
- Describe the involvement of the team within multi-agency child protection procedures.

Jen Kirby, Specialist Registrar in Paediatric Dentistry

13:00 Lunch, exhibition and poster display

11:20 Questions

11:30 Refreshments, exhibition and poster display

16:00 Black Tie Dinner
Hosted by President-Elect Simon Utting
Programme

Session 3 – A personal face: mental health and beyond

14:00 Eating disorders
- What are the eating disorders and what causes someone to develop one?
- The effects of an eating disorder on the sufferer, their carers and psychological functioning
- Evidence-based treatments and prognosis
- What services are available that can treat and support sufferers and their carers?

Jacqueline Orme, Cognitive Behavioural Psychotherapist

14:40 Feeding disorders in children
- Overview of feeding development
- Summarise feeding disorders in children
- Consider the management of children with feeding disorders
- Outline the dental considerations of children with feeding disorders.

Rachael Bussell, Specialist in Paediatric Dentistry, Sheffield Community and Special Care Dentistry

15:10 The impact of eating disorders on the provision of dental care
- Improve knowledge and understanding of barriers to dental care for patients with eating disorders
- Discuss the management implications for patients with eating disorders
- Demonstrate issues through a case-based example.

Jodie Bustin, SR in Special Care Dentistry, Derbyshire Community Healthcare Services NHS Foundation Trust

15:30 The impact of oral health on the long-term ventilated patient
- Gain awareness of ventilator associated pneumonia
- Discuss how oral health can impact on this
- Outline the challenges in training intensive care staff to deliver oral care, taking into account their baseline knowledge, attitudes and experience.

Jane Temple, Specialist in Special Care Dentistry, Derbyshire Community Healthcare Services NHS Foundation Trust

15:50 Questions

16:00 Refreshments exhibition, & poster display

Session 4 – Open Forum: What do we face in the future?

16:30 Open Forum
The Craft Committees and Employment Relations

17:15 Close
