Introduction

Dear Colleagues,

As the President of the BDA CDS Group, it is an honour and pleasure to invite you to the city of York to attend the BDA CDS Group Annual Presidential and Scientific Meeting 2019. The conference will be held at York Racecourse.

I’ve worked within CDS and special care dentistry for the last 25 years and it seems to me as if a day in the clinic is a Pandora’s Box. The clinic list rarely resembles what actually happens in the day, left hooks are the norm, but there is always hope. Hope comes in many forms. The hope that patients bring with them, hoping we can help and improve things. The hope that patients demonstrate in living their lives, often against all odds and overcoming significant hurdles. The hope, support and inspiration that our teams, colleagues, patients and their carers bring to us all. Many of the speakers at this conference have brought hope and inspiration to me as a clinician over the years, and often at times when the way forward was not that clear. I hope that you will enjoy listening to them.

Topics covered over the course of the conference will include: the use of smart drugs in kidney cancer, emergence delirium, head and neck cancer, oral health in the young child, communication for people with communication needs, the best interests balance, journey of a speciality, implants, living with Ehlers Danos Syndrome, the dental management of patients presenting with Multiple Sclerosis and Parkinson’s disease, Granulomatous diseases and facial pain.

On the social side, a Wednesday night quiz will be held in the atrium at the Hotel du Vin Bistro York. On Thursday night, the black tie dinner will be at the Merchant Adventurers’ Hall with a medieval banquet.

York is a beautiful city, so why not extend your visit and explore all that it has to offer including York Minster, the Jorvik Viking Centre, Shambles and much more. For further inspiration please visit: visityork.org/explore/must-see-york.

I look forward to welcoming you to the event.

Gill Greenwood
President-Elect BDA CDS Group

Gill qualified at the London Hospital in 1985 before working as a house officer in restorative dentistry. This was followed by resident, HO, SHO, and registrar posts in OMFS. She worked for two years as a full time GDP. In 2004 Gill moved to join the East Yorkshire and Hull Salaried Dental Services as an SDO in Special Care Dentistry. In 2010 she was appointed as Consultant in Special Care Dentistry at City Health Care Partnership Hull, and also Training Programme Director of Special Care Dentistry for the Yorkshire and Humber Postgraduate Deanery. Gill was elected as Chair of the BDA Community Dental Services Group in January 2013 and held this role for six years and is now honoured to be elected President of the group for 2019-2020.
Programme

Wednesday 2 October 2019

Hotel du Vin Bistro York

20:00 Welcome dinner and quiz

Hosted by President-Elect Gill Greenwood

Thursday 3 October 2019

York Racecourse, York

08:45 Registration, refreshments and exhibition

09:30 Welcome to York

Session 1

09:50 Smart drugs for Metastatic Kidney Cancer: From bench to bedside and the mouth in between

- Clinical and biological aspects of kidney cancer relevant to the mode of action of the new drugs
- The efficacy evidence for the new drugs
- The adverse events with emphasis on the mouth (e.g. MRONJ and TKIs / Bisphosphonates).

Anthony Maraveyas, Professor in Medical Oncology Hull York Medical School and Consultant Oncologist Hull University Teaching Hospitals NHS Trust

10:50 Refreshments, exhibition and poster display

11:15 Metamorphosen

- The "problem" changes
- A pragmatic approach to acute emergence delirium
- Intelligence: can we screen for this?

Chris Pollock, Consultant in Anaesthesia and Pain Medicine, Special Care Dentistry, Orchard Centre, Hull

11:45 Head and neck cancer: Diagnosis, management and beyond

- A reminder about recognition and referral
- Current treatment and the future
- Post treatment complications and care.

Andrew Camilleri, Consultant Oral and Maxillofacial Surgeon, Luton and Dunstable University Hospital Foundation Trust

12:45 Lunch, exhibition and poster display

Session 2

13:45 Oral health in the young child – getting it right from the start!

- Understand the prevalence and effects of dental disease in young children
- Have a better insight into what can be done to address the challenges this presents, both in prevention of disease and management of those children already affected
- Appreciate options and opportunities for further improvement of current provision including:
  1. Prevention: for our individual patients and the population
  2. Dental assessment and interventions for infants – the practitioner’s role
  3. Contemporary strategies to improve care pathways and treatment services.

Stephen A Fayle, Consultant in Paediatric Dentistry, Leeds Dental Institute

Bookings hotline: 020 7563 4590 | events@bda.org

Poster competition

Don’t forget to enter the annual BDA CDS Group Presidential and Scientific Meeting poster competition.

There are two categories:
1) For trainees working within SPCDS
2) For service development projects/audits for the whole dental team within SPCDS.

Prizes will be awarded for the three best posters in each category.

Entrants must complete an application form by **Monday 29 July 2019**.

Posters to be submitted as a PDF or Word document by Monday 9 September 2019 and will be judged before the conference.

Posters are to be displayed at the conference.

Please be advised that it is recommended you book to attend the conference at the same time as submitting your application to ensure you have a place. If the event has sold out then you will be unable to present your poster.
