BDA Community Dental Services West Midlands Division are pleased to present their Annual Study Day

“Sleep Or Snooze?”

Thursday 24th November 2016
9am - 4.30pm
Hallmark Hotel Birmingham Strathallan

Information

The Study Day is aimed at Community and Special Care Dental teams and GDPs who wish to increase their knowledge of the available methods for managing the dental treatment of challenging patients. The day will include a series of lectures and question and answer sessions with speakers from various clinical and academic areas.

Aims: To update dental teams with current knowledge and to facilitate improvements in practice for the management of patients requiring pharmacological and/or adjunct methods.

Objectives: By the end of the day, participants will be aware of the various clinical methods available for managing patients with special needs. They will understand how to enhance their communication skills to effectively enable provision of dental care for special care groups.

CPD hours: 5

*Places are limited (due to venue size) so please book early to avoid disappointment*
