The Summer Scientific Meeting looks to the challenges of treating the younger patient and how these echo many of the challenges we experience with our Adult patients.

Our guest speakers include:

**Dr Alan Mighell Senior Lecturer / Honorary Consultant in Oral Medicine**
Leeds Dental Institute

**Dr Richard Balmer, Consultant Paediatric Dentist**
North Yorkshire Community Dental Service and Leeds Dental Institute

**Dr Fiona McDowall, Specialist Registrar in Paediatric Dentistry**
Leeds Dental Institute

**Mrs Fiona Jenkins, Consultant Orthodontist**
St Luke’s Hospital, Bradford Teaching Hospitals NHS Foundation Trust

**Dr Simon Utting, Chair of the Yorkshire and The Humber Special Care Dentistry Managed Clinical Network Development Group**

During the day the team aim to cover:

- Oral medicine update for paediatric patients
- The aetiology and care of enamel defects in children
- Orthodontic update for special care patients
- Outline the role of a Managed Clinical Network in the wider NHS England structure
- Update on the current status of both the Special Care and Paediatric Managed Clinical Networks in Yorkshire and the Humber

All members of the team will be able to take home some hints and tips to incorporate into their daily practice.

This meeting will qualify for 5 hours verifiable CPD linking to GDC development outcomes B, C and D.
