CBCT small volume reporting masterclass

A hands-on two-day masterclass designed for clinicians who wish to excel in CBCT small volume reporting.

Become competent in the justification, optimisation and reporting of small field of view CBCT.

Learning objectives
- Compare the characteristics of 2D conventional radiographs and 3D CBCT imaging
- Gain the skills needed to justify, take and interpret CBCT scans for the different dental disciplines
- Write actionable CBCT reports.

Course features
- Each delegate will be provided with a computer for the hands-on component
- After the first seminar, delegates will prepare reports in their own time for assessment by the faculty
- Delegates will present a case to the group at the second seminar
- Limited number of delegates to ensure maximum interaction
- Multi-disciplinary faculty, including experienced radiologists, endodontists and oral surgeons.

The masterclass covers 21 hours of level two training based on the European Academy of Dentomaxillofacial Radiology (EADMFR) guidelines.

Course format
The course contains 21 hours of verifiable CPD in a combined learning format to ensure it suits all learning styles and can fit around busy clinical practice.

Pre-course foundation
Delegates will receive a pre-course literature pack (3 hours).

Course requirements
- This is a practical computer-based course. An intermediate level of computer literacy is required
- Delegates will require access to a Windows based PC to use for the self-directed assignment (8 hours).

Who should attend?
- The masterclass is suitable for those already using CBCT and who have completed level one training based on the EADMFR guidelines.

Day 1: Saturday 13 June 2020
09:00 – 16:30
(REGISTRATION FROM 08:30)

One-day seminar and hands-on reporting (6 hours)
Self-directed reporting exercises will be provided by the faculty to complete in your own time (8 hours – exercises will be provided on a USB key with enclosed software at the end of the day).

Day 2: Saturday 18 July 2020
09:00 – 13:30
(REGISTRATION FROM 08:30)

Case presentation of CBCT reports by the delegates and reflection. Feedback from the faculty on the reporting exercises prepared by the delegates. (4 hours)

Course leaders
Shanon Patel
Consultant Endodontist and Senior Lecturer in Endodontics, King’s College London Dental Institute and Specialist Practice

Simon Harvey
Consultant in Dental and Maxillofacial Radiology, The Eastman Dental Hospital, London and Queen Victoria Hospital, Sussex
